Clean Harbors Opens Service Center in Cross Lanes, West Virginia

Offers Environmental Services for West Virginia, Ohio and Kentucky

Cross Lanes, WV – June 4, 2009 – Clean Harbors Environmental Services, Inc. (“Clean Harbors”), the leading provider of environmental and hazardous waste management services throughout North America, today announced the opening of a new service center here to serve West Virginia, southeastern Ohio and northeastern Kentucky. The company will host an open house on June 11 from 11:00 a.m. to 2:00 p.m.

The Cross Lanes Field Service Center offers vacuum services, decontamination, product recovery and transfer, demolition and dismantling, tank cleaning, scarifying and media-blasting, and marine services. It also provides immediate response and containment for cleanup operations, as well as access to Clean Harbors land and water emergency response manpower, equipment, and logistical management for any size environmental emergency.

“We’re looking forward to serving the tri-state area from this new service center,” commented Clean Harbors General Manager Teresa A. Wasson. “It enables us to offer day-to-day environmental services to area industries and, just as importantly, provides access to Clean Harbors’ significant North American-wide environmental, emergency response, hazardous materials management and disposal services.”

For further information about the Cross Lanes office and its services, call 304.776.7281 or email wasson.teresa@cleanharbors.com.
